

**New Bible Study Series Begins: June 9, 2016**

**Exploring Acts: Finding the Victory**

Have you ever wondered about what it was like for Christians in a simpler day and age? The Book of Acts is our best guide since it captures the passionate faith, the courage, and the beliefs of the earliest Christians during first 30 years of the New Testament church. As the Book of Acts opens a window into the lives of the apostles Peter and Paul, you will discover how Christians lived their faith in a hostile culture, how the Christian ethic transformed individual lives, leaders, and cultures, and why the Christian faith triumphed despite bitter persecution. Beginners and seasoned students of the Bible are welcome to attend. As always, Pastor Jeff will facilitate discussions that help you uncover the author's original meaning and to discover biblical wisdom that will guide you in your daily life, strengthen your faith, and draw you closer to God and to others. Please join us for this timely study, *Exploring Acts: Finding the Victory*, Thursdays at 10:00a in the Faith Hall library.
